

FIG. 1

FIG. 2

This diagram shows a cross-section of a mechanical system. On the left, a vertical rod passes through a series of components: a top cap 152, a sleeve 114, a roller 112, a guide 104, and a base 102. The rod has upward and downward arrows indicating its movement. To the right of the rod is a large, curved, hatched component labeled 96. This component is supported from below by a series of horizontal rollers or guides: 100, 86, 98a, 98b, and 102. A small pin or screw 43 is visible near the bottom of the curved surface. Other labels include 103, 41a~41e, f, 115, 101, 97, 99, and 104.
